

Cornerstone Workbenches

Every industry has the jack-of-all-trades. This is the bench for them! Cornerstone workbenches are standard tables that are suitable for a broad range of tasks, including but not limited to: testing, packing, repairing, inspecting. The Cornerstone table is rated for regular use with weights up to 2000 lbs (evenly loaded). This degree of strength is achieved by using a [solid table structure](#) with steel tabletops. This workbench is [more than just a table!](#)

Cornerstone Accessories Now Available

The Cornerstone workbench has one of the widest range of [workbench accessories](#) on the market. With a diverse selection of tools, this workstation is suitable to any environment, application, and industry, including electronics manufacturing, eCommerce, and medical equipment suppliers (cleanroom suitability ISO class 7). With customizable workbench options, your workbenches can be accessorized for use in packing, fulfillment, assembly, testing, or quality assurance functions.

Design your Cornerstone workstation! [Start designing](#)

Cornerstone Workbenches Offer Manual Height Adjustment

Our Cornerstone height range can be adjusted from 27.56 to 40.55 inches, in 1-inch increments, making these tables suitable for work while sitting or standing. Other beneficial Cornerstone workbench features include:

- 4-legged steel structure
- 2000-lbs. load capacity, for even the toughest environments
- Can be easily equipped with accessories
- Several sizes available through [QuickShip](#) - get yours shipped in 5 days
